

Early Education Curriculum

Happy November! We hope you enjoyed the warm launch into cooler weather. Below please find the curriculum planned for November.

Infants - Children will work on their individual curriculum activities.

Toddlers (15 Months and Up)- Children will explore the changes in weather and colors of fall while focusing on social, emotional, and physical development.

Maple, Red Sox, Celtics, and K1 (Patriots & Bruins) - Children will continue the unit on Family and transition to the unit on Friend.

Important Reminders

Closures:

Friday, November 11th - Professional Development Day / Veteran's Day

Monday, December 26th - Friday, December 30th - Winter Break

Cool Weather Reminder:

Now that the weather is cooler, please bring warm clothes for your child's cubby.

Help Make a Difference:

We are collecting **non-perishable foods, canned goods and dry goods, basic health and beauty products, and gift cards to Stop & Shop and Target** to help families in our community. Items will be collected during drop-off each morning through November 18th in designated bins. Every donation helps, and together we can make a real difference.

Should you have any questions, please feel free to reach out to Brenda Barreto at bbarreto@ellisearlylearning.org.

If your child or anyone in your household tests positive for COVID, please email [Claire McNally](#) and/or [Lauren Cook](#) to notify Ellis. ProCare messages are not reliable for COVID-related or any urgent communications.

This school year, we have established an extraordinary partnership with [Housman Institute](#), an early childhood education training, professional development, curriculum, and research organization that promotes the development of emotional intelligence from birth. Housman Institute has served thousands of children, families and teachers for over 35 years.

In this partnership, our staff will be a part of the research-based [begin to ECSEL](#) (Emotional, Cognitive, and Social Early Learning) Educator Training Program. Teachers and administrators will take courses and work with Housman Institute Coaches to teach children how to effectively identify, understand, express, and regulate their big emotions.

begin to
ecsel

The program teaches educators and children to:

- Understand the cause and effect of emotions
- Develop empathy and prosocial skills
- Gain problem-solving and conflict resolution skills to support healthy development, emotional well-being, and academic success

You, as your child's first teacher, will be working together with their classroom teachers to ensure collaborative communication continues in the best interest of your child's ongoing growth and development.

Throughout the year, our team will complete ECSEL courses and receive ongoing support and feedback from ECSEL coaches. We will utilize ECSEL language, tools, and techniques in our classrooms with your children. We will continue to provide families with updates and additional information in the coming weeks.

We are so excited to see the impact that this program will have on children, classrooms, staff, families, and on the Ellis community!

Family Engagement Update

Please join us in welcoming our new Lead Social Worker, Liz Brot, LCSW., to Ellis! Liz is joining us from the Home for Little Wanderers where she specialized in early childhood. Her first day is Monday, November 14.

Also of note, Cherish Casey, our current Family Navigator, will be transitioning to a social worker role at Ellis, working closely with Liz and Brenda.

Ellis is currently interviewing Family Navigator candidates and will share a hire update as soon as we have one.

Countdown to Kindergarten

This year, Boston Public Schools will resume holding in-person information sessions! You can visit school buildings in-person to better inform your school choices. All BPS schools are holding the information sessions between November and January for prospective families to learn more about each school, tour the building, meet the school leader, and ask questions about the school and the various programs they offer. Schools will be offering a combination of virtual and in-person information sessions. Please refer to the list below to find out which dates are virtual and which dates are in-person.
